Student & Library Services contributes to Teesside University’s outstanding student experience by inspiring and empowering success for learning and for life.

**INFORMATION, ADVICE AND GUIDANCE**

Help to manage your learning
iZone (ground floor, Library) – help on library and information enquiries, IT and account enquiries.

Library Help Live – instant help 6.45pm - 9.00am, 7 days a week at lis.tees.ac.uk.

Learning Hub (ground floor, Library) – specialist staff are available to help with researching and writing assignments.

Succed@Tees workshops covering a wide range of skills to help you achieve success for learning and life libguides.tees.ac.uk/workshops.

Help to manage your life
Information area (Floor 1, Student Centre) – offers information, counselling and specialist advice services – funding, international, disability, mental health, autism, specific learning difficulties, LGBT, BME, care leavers, student carers.

**ENHANCE YOUR STUDENT LIFE**

Get the most from your time at Teesside – get involved in new activities to help improve your body and mind.

Sport and Wellbeing offers a range of opportunities in the Olympia and the £2.75m health and fitness centre including: Campus sport, BeSporty sessions, fitness classes, The Gym, health promotion advice and volunteering.

The Counselling Service helps students to develop key lifelong skills to deal with personal issues.

Financial support
Make your life easier to manage, including emergency loans and the student support fund.

Disability Services and the Assessment Centre on Teesside
If you have a disability, check out the additional resources you are entitled to, to support you achieve your goals.

**LIBRARY RESOURCES**

Access to over 145 million learning resources through the Discovery search engine, including over 490,000 ebooks, 97,000 ejournals and over 200 databases to find the latest research – all available 24/7.

To help you find the services, support and learning resources you need we have subject LibGuides, a one-stop-shop bringing together the resources relevant to your subject and details of how to contact your academic librarian – go to libguides.tees.ac.uk.

In the Library there is a variety of study environments designated by floor – collaborative, individual, silent and postgraduate spaces.

£6m has been invested over three years to provide flexible, technology enabled individual and group learning spaces and social areas including the Learning Café.

**DEVELOPMENT OPPORTUNITIES**

Graduate skills are more than just a qualification.

There are a variety of opportunities available to inspire and empower the development of additional skills and confidence to enhance your CV, including sports coaching, volunteering, counselling, learning hub, specialist mentoring and study skills tuition.

Meet new people from diverse backgrounds through participation in sports clubs, societies and the chaplaincy.
Try LibQuest, an interactive and fun game to introduce you to Student & Library Services.
