What are reading intentions?

Setting up reading intentions help you organise your course reading. It makes it easy to scan through your lists and keep track of progress. Here's an example of what they look like:

Your reading intentions are also stored in here in your profile for future reference.

How do I set a reading intention

To set a reading intention, go to a any reading list item and click on the relevant ‘Read status’ button and the following drop-down list will be displayed. Simply select whatever you choice is – remember this can always be modified at any point.

Repeat this process to as many reading list items as you want...
