Installing the Bookmark Button to your web browser (Internet Explorer)

In order to populate your reading lists you need to install the Bookmark Button to your preferred browser on any computer you use.

Go to [http://readinglists.tees.ac.uk](http://readinglists.tees.ac.uk) and Log In. Once logged in, click on My Bookmarks.

From the My Bookmarks page click on Install Bookmark Button

Select Next to move onto the instruction screen.
Follow the instructions given about making the bookmarks bar visible.

Right click on the **Add to My Bookmarks** button.

In the pop up menu select **Favorites Bar** in the ‘Create in’ box, then click on **Add**.

Click **Next** and finally click **Close** to complete the process.
