Exporting from Discovery to your RefWorks account

1. From the Library home-page (http://www.tees.ac.uk/depts/lis/)

2. Conduct a search from the Discovery search box:

   ![Discovery search box](image)

   From the results list, select any items that you want to export by clicking on the **folder icon** to the right of that item:

   ![Folder icon in results list](image)

   To see the items that you have added to your folder click on the folder icon at the top right of the page:

   ![Folder icon in results list](image)
From this saved items list, go to the **Export To** pull-down menu and select **RefWorks**.

A new window will open - select the option to export to **legacy RefWorks**.

Your references should automatically be exported into your RefWorks account.
